Welcome to the 2022 Ayton Show!

On behalf of the newly formed Ayton Gardening Society I should like to extend to you all a very warm welcome to this year's show.

After a couple of years without a show and the lengthy isolation of lockdown I think we all need a bit of fun and a chance to meet up. So please, whether you are an exhibitor or a visitor, enjoy your afternoon.

I would also like to say a heartfelt "Thank You" to everyone involved in the former Ayton Horticultural Society without whom this show would not be taking place. By giving up so much of their own time and putting so much effort into the annual show they have provided our community with many years of enjoyment and encouraged us all to participate in so many different ways.

Following their example, the new Ayton Gardening Society have tried to provide a simplified range of classes for this show whilst maintaining the basic format. We hope this proves to be successful and we would love your feedback. Please contact us if you have any suggestions or comments or if you would like to get involved. New members are always welcome!
